Dear Parents/Guardians,

It is to inform you that sometimes the parents approach to distribute the sweets among the students on the birthday of their ward by debiting the cost in their imprest account but they intimate on the same day or one day before, due to this, it become quite difficult for the Mess I/C to arrange sweets in time. It is my humble submission to those parents who wants that the sweets to be distributed among the students on the birthday of their ward should intimate atleast a week earlier, so that there should not be any difficulty for the mess I/C to provide the sweets to all the students in time. If the office does not receive letter or mail (admission@acharyakulam.org) from the parents 7 seven days prior to the birthday, no sweets will be distributed.
