CIRCULAR

We are very thankful by getting suggestions from some of the parents and the management always tries its best to provide value added education to the students as far as possible. We are trying our best to bring excellency in every field as we can and you know very well no-one is perfect in this world and there is always scope at the top and there is no limit of excellency also.

As you know the students are proceeding in winter vacations on 20th Dec and reporting on 20th Jan 2019, except class 10th, they will proceed on 30th Dec in the evening and reporting on 20th Jan 2019. All the parents are requested to ensure that the students must study under their guidance during vacations. So that, they can do well in their 2nd pre-board exams and pre-annual exam (for class 10th and 11th) to be conducted w.e.f. 22nd of Jan 2019 and their annual exam will be started from 15th of Feb 2019. It is also to inform you that some of the students are very poor in their studies, we tried our hard even then they are unable to improve, their parents are requested to look into it. Otherwise we have to detain them in the same class.

The result of annual exam of class IX and XI will be declared on 2nd of March and their classes will be started in the first week of March to save the time especially of board classes, so that they can prepare themselves for competitive exams.

The Annual Exam from class V TO VIII will be conducted in March, the result will be declared on 31st of March. The students will be taken on excursion to outside. The students who do not want to go on Excursion, they can go to their native place only for 5 days i.e. from 25th to 30th March. The parents have to send in written for the same so that the names of their wards will be included for the excursion.
